

ANIKET BHATKAR

Frontend Web Developer

☎ +91-8380060245 ✉ aniketbhatkarpce23@gmail.com 🌐 github.com/AniketDBhatkar

Summary

Frontend Web Developer with a solid foundation in HTML, CSS, Bootstrap, JavaScript, Git/GitHub, and CLI commands. Skilled in building simple, responsive web applications and eager to learn and work on real projects. Interested in contributing to meaningful development work in a fast-paced environment.

Skills

Frontend Development: HTML, CSS, Bootstrap, JavaScript, EJS.

Backend Development: Node.js, Express.js, MongoDB.

Version Control: Git, GitHub, CLI commands.

Experience

Frontend Developer Intern

September 2025 – Present

Widesoftech Pvt. Ltd

Tools Used: HTML, CSS, Bootstrap, JavaScript, Git, GitHub, EJS, CLI

- Developed responsive and user-friendly web pages using HTML, CSS, Bootstrap, and JavaScript.
- Added dynamic features and interactivity with JavaScript.
- Used EJS templates to render frontend content efficiently.
- Practiced version control and collaboration using Git and GitHub.
- Assisted in testing and debugging to ensure smooth functionality of web applications.

Projects

QR Code Generator | JavaScript, Bootstrap, HTML, CSS

July 2025 – August 2025

- Built a QR code generator web application that converts text, URLs, and other data into QR codes.
- Implemented frontend interface using HTML, CSS, and Bootstrap for a user-friendly experience.
- Used JavaScript to handle QR code generation and download functionality.
- Tested the application across browsers and optimized it for fast and accurate QR code generation.

NoteKeeper App | HTML, CSS, Bootstrap, JavaScript, Git/GitHub

August 2025 – September 2025

- Built a responsive NoteKeeper web application enabling users to create, edit, and delete notes using HTML, CSS, and Bootstrap.
- Added interactivity with JavaScript for dynamic note management and local storage handling.
- Applied Git and GitHub for version control, project tracking, and showcasing development progress.

Certifications

- **Great Learning Certificate – 2025:** Completed a course on HTML and CSS fundamentals through the Great Learning platform, gaining practical knowledge of web page structure, styling, and responsive design techniques.
- **Infosys Springboard Certificate – 2025:** Completed courses on JavaScript and web development fundamentals through Infosys Springboard platform, gaining hands-on practice with dynamic web applications.
